rou feel the good that's done by Doctor Pierce's Golden Medical Discovery. It cleanses, regulates and invigorates Stomach, Liver and Bowels and so purifies the blood. And through the blood, it cleanses, repairs, and invigorates the whole system. In recovering from "grippe," or in convalescence from pneumonia, fevers, or other exhausting diseases, nothing can equal it as an appetizing, restorative tonic to build up needed flesh and strength. It rouses every organ into fiatural action, promotes all the bodily functions, and restores health and vigor.

For overy disease that comes from foul or Weak Stomach, a torpid Liver or impure Blood, Dyspepsia, Indigestion, Billiousness, and the insost stubborn Skin, Scalp, or Scrotulous affections, the "Discovery" is a sovereign remedy. Don't be hypnotized, wheedled, or over persuaded into accepting a substitute only that some selfish medicine seller may make a greater profit on the inferior article. The "Discovery" has a great record of nearly forty years with thousands of cures behind it.

*Dear Sir—Several years ago my blood became impoverished and I became run book in

sands of cures behind it.

Dear Sir—Several years ago my blood became impoverished and I became run down in health. I had no abpetite, could not sien, and was practically unitted for work. Suffered from innumerable boils and was in bad hape. Dr. Plerce's Golden Medical Discovery relieved me of my wretched condition. The medicine built up my system and restored me to a normal condition of health. I can speak most highly also, of Dr. Plerce's Favorite Prescription, as it has been used in my family for years in gases of femile trouble.

Self control or nerve force is great lesson of health and therefore of life itself. To understand how to relax is to understand how to strengthen nerves. Hearty laughter is a source of relaxation, as are also all high thoughts, as those of hope, beauty, trust or love. Relaxation is found in diversion. An occasional outing or holiday is necessary. As there are conscious and un-

conscious thoughts, there are conscious and unconscious nerve tensions. Women when shopping do not know the very tight grip they give their parcels until, on reaching home, their hands fall re- , sections of Seminary Hill, laxed in their laps, and they say they are so tired.-Healta Culture.

The Emerald. An emerald that has no flaw in it is typical of the purest love. Some people say that, as few such stones can be found, purest love is necessarily rare. An emerald was always thought to possess the power of discovering treachery in the shape of alleged friends. The emerald is exceedingly popular in courtships and in marriages. After marriage it is supposed to bring harmony into the household and to further domestic joys in every possi- Dw ble way. To lose an emerald is said to bring business misfortunes and dis-

The difference between Kennedy's Laxative Honey and Tar and all other Cough Syrup is that it moves the bowels, thus expelling a cold from the system. This releases the nervetissues and by its healing effect on the throat and lungs the cough is relieved—curred entirely. Kennedy's is the original Laxative Honey and Tar and contains no opiates. Good alike for young or old. Tastes good. Sold by W. F. Creighton, 401 King street, and corner Queen and Patrick street.
